*ONLINE REGISTRATION ONLY.*

www.scopeonline.us
Go to Student Services.
Under subheading School Year Enrichment Programs, click on West Babylon Schools.

MasterCard, Visa, Discover and ACH accepted

PLEASE NOTE:

1. Course enrollments have limits and, therefore, will be filled on a first-come, first-served basis. We will do our best to accommodate all selections.

2. SCOPE requires a minimum enrollment to be met in order to run the program and reserves the right to cancel a course due to insufficient enrollment.

3. Confirmations will be emailed about one week prior to the start of the program. Please contact SCOPE if you do not receive an emailed confirmation. It is the parent’s responsibility to see that their child is present on the first day of class. No credit/refund will be given.

For information, please contact SCOPE at

STEAM

Welcome back to the world of STEAM!

*ALL NEW ACTIVITIES THIS YEAR*

Science, Technology, Engineering, Art, and Mathematics are part of our everyday lives, both in and out of the classroom. This year, students will explore all new lessons that allow them to get hands-on and engage in a variety of STEAM activities. Each activity is developed with a focus on the 2018 ISTE Standards. Students will work together in groups to imagine and create a variety of innovative projects. Students will discover the “why” and “how” behind these projects. Join us and bring your imagination and creativity as we embark on a journey through the world of STEAM.

Parents are responsible for their child’s transportation home from the program. Two late pick-ups can result in being dismissed from the program.
