

Dear South Bay Families,

I hope you are enjoying the beginning of a 3 day weekend. I am trying out a new Weekly Wave format. Rather than include the Weekly Wave as an attachment, I'll include it within the body of this email. In addition, I'll be posting this letter on our South Bay website in a new section called "What's New at South Bay?" This section will include recent communication, updated monthly calendars, and flyers for PTA and school events. If you are looking for something that was recently sent out, this will be a place for you to check in and find this information. Please visit our website to take a look at http://www.wbschools.org/Schools/south_bay_elementary_school
