

Dear South Bay Families,

I hope that you all had a healthy and happy holiday break. Happy New Year and welcome back! As per Dr. Farrelly's email, and as has consistently been the case during the pandemic, things evolve and change quickly. Please make certain you are frequently checking for communication from school for any updates. In addition, if your child is out of school because of a positive Covid-19 diagnosis, please submit a copy of the test results to myself or to our school nurse and inform us as soon as possible.

Please see the information below and attached, and please be reminded that this information is also posted in the "What's New at South Bay?" section of our website.
