The students expressed their passion for these teams and the impact of losing the team. In response to a resident question Mr. Cacciola said that the district can look into merging with another district's swim team and gymnastics team. He said that the other district would have to be willing to take on another team; adding that Lindenhurst and Deer Park are not willing to take on another team. Mrs. Thiel said that this is not what the Board wants to happen, either. She said that the Board is awaiting word from the State regarding the budget and urged the students and parents to contact their legislators with these concerns, as well. In response to why these sports are cut first, Mr. Cacciola said that off site sports produce the highest costs. Mrs. Thiel encouraged everyone to attend the April 1<sup>st</sup> meeting.

**OLD BUSINESS/NEW BUSINESS: Budget Draft #3 — A. Cacciola and J. Buscemi**

Mrs. Buscemi presented Budget Draft #3 and shared the state information to date. She said that West Babylon has been using as much fund balance as possible. She said that all budget drafts will be available on line on the website tomorrow. Mrs. Buscemi noted that the district has available \$180,000 more than expected and the Board will have to decide how to allocate those funds. In response to Trustee Villagran's question, Mrs. Buscemi said that if this money is restored to the budget, the cap at the current budget would still be pierced. Trustee Scarlatos suggested piercing the cap by 5.46% and then lowering it if it does not pass the first time. There were discussions about risking piercing the cap by 5.46%; Trustee Kranz wanted to consider using \$68,000 of the \$180,000 for restoring the varsity sports; and Trustee Thiel suggested waiting until the state aid package is known before making any further budgetary decisions. After further discussion on all of the topics:

Trustee Campasano seconded by Trustee Bocca made a motion to wait until April 1, 2014 for the state aid information before making further budgetary decisions.

The Board unanimously agreed that they would meet again before the next meeting if additional funds become available.

**STATEMENTS OF RESIDENTS:**

Resident and PTA Council President said that the survey will go to the JHS. She added that parents discuss the budget at every PTA meeting and she believes if the JHS parents wanted to pierce the cap for the sports, they would be at this meeting.

Resident Joe DeGaetano asked about the effects of the cuts and the effects on the classrooms. He also pointed out that music is an academic program as opposed to sports which is extra-curricular. He requested that they not be pitted against each other as the same type of program

In response to resident Dawn Conboy's question, Mr. Cacciola said that 6 districts on Long Island will be piercing their budget caps and none of the districts in Western Suffolk BOCES will be piercing their caps. Mrs. Conboy said that she is opposed to the 5.46% cap piercing in this economic climate. Mrs. Buscemi said that she has seen an increase in bounced checks from the lunch department and that amount of students receiving free and reduced lunch has gone up 40%.

Resident Rob Larsen said he agrees with Trustee Scarlatos that the district should give the piercing by 5.46% a shot. He also suggested closing a building to save money.

In response to Daienna Edmunds question Mrs. Buscemi said that the funds from the Trust and Agency accounts do not become part of the budget. However, their numbers are published in the financial statements available on the website.

Several more parents spoke in support of the keeping the bowling and swim teams. In response to their question about fundraising to keep the teams, Mr. Morrell explained that the fundraising would have to apply to all teams. Parents cannot fundraise to retain some teams and not for others.

Trustee Bocca seconded by Trustee Scarlatos made a motion to adjourn at 11:00 p.m.

The motion was **CARRIED** by all present
