After some further discussion about the policy, students who were present were permitted to speak about the Board's decision to close campus for lunch.

### **STATEMENT OF RESIDENTS (Agenda Items)**

Several students were present to speak about their displeasure with the Board's decision to close the campus for lunch. They shared their feelings about their

capabilities as young adults. Several students read from their prepared statements explaining why they believe they should have the opportunity to leave the building for lunch as seniors in good standing. Board President Diane Thiel thanked the students for their excellent rebuttal. She said that the policy will be on the agenda at the next meeting. Mr. Bocca stated that he feels that the students should be permitted to leave for lunch. Trustee Scarlatos said that although he originally believed campus should be closed, he feels that if parents give their children permission than they should be permitted to leave the building. There was a discussion about the principals making a decision. Mr. Cacciola said that it was his understanding that the principals were neutral and would do whatever the Board directed them to do. There was further discussion about how and why the decision was made. The district is being proactive in protecting the students from accidents that could happen. Liability was discussed and Mr. Morrell explained that parents can not waive the right of the student to sue the district at a later time if something were to happen during school hours. Trustee Campasano said that the students made valid points about heading to college and being responsible. However, colleges do not allow freshman to have a car. The district allows seniors to drive to school. Other issues such as lockdowns were discussed. After further discussion

**Policy** — Mrs. Thiel said that Mrs. Jones e-mailed policy to the trustees which will be on the next agenda.

**COMMITTEES:** Mrs. Thiel read the minutes of the May 6, 2014 Curriculum Committee Meeting — on file in the District Clerk's office.

At Mrs. Buscemi's request the Audit Committee meeting was moved to May 28, 2014 at the 7:00 portion of the meeting. Mr. Rodriguez of Cullen and Danowski will be present. Mr. Cacciola explained that the firm has been with the district since 1981 as our accountants. As the district now has an accountant in house, Cullen and Danowski were appointed as the district's auditors through an RFP process. He added that they are a wonderful firm.

### **OLD BUSINESS/NEW BUSINESS:**

#### **STATEMENTS OF RESIDENTS:**

Resident Dawn Conboy said that she believes students should be permitted to leave. She added that there are many liabilities in the district.

Resident Maryann Gamba spoke about the terrible condition of the parking lot at the JHS and the liability the district faces because of it. Mr. Cacciola said that the district is aware of the condition and is considering a bond vote to address the repairs.

Students again voiced their opinions about closing campus for lunch. Mrs. Tona said that tragedies have happened on Long Island and the districts change after the tragedy. She said this is preventative for the safety of the students.

In response to resident Daienna Edmunds question, Mrs. Buscemi explained that teachers leaving the building do not hold the same liability for the district as students leaving the building.

Resident Rob Lucchesse said that he feels bad that the students present this evening do not realize that they don't have a chance of changing the Board's decision. He said that he will be giving written permission for his daughter to leave the building. President Diane Thiel said that parents can come and sign their children out and back in. She said that the Board did explain to the students that they could go back to the HS administrators to find other lunch arrangements that could be an enjoyable alternative to leaving for lunch. The Board did not suggest to the students that there was hope of the decision being changed.

In response to a student's question, Mr. Cacciola said that West Babylon will not be in the minority of schools that have closed campus for lunch.

Resident Dawn Conboy said that she believes the voices of residents at times fall on deaf ears.

Resident Liz Breiner said that she believes the Board has listened to the community and changed its mind in the past. In response to her question about open lunch being offered to only 18 year old students, it would be difficult to enforce.

Trustee Bocca seconded by Trustee Campasano made a motion to adjourn at 9:55 p.m.
