

End of Year Party

Dear Parents,

We cannot believe we are planning our end of year party already. We will be celebrating rain or shine on Wednesday, June 22nd. This event is for the children and class parents only. Our plan includes a craft, some play time (hopefully outside—sunblock in the morning before school) and a peanut-free snack. Please send your child to school with a towel or blanket to sit on while completing the craft and enjoying their snack. Thank you for your continued support.

Sincerely,

The First Grade Teachers
