

January 2023

Dear Parents/Guardians,

The 4th Grade Student Council remains in action! A fundraising effort that was originated in 2013, had to take a backseat for a few years due to the pandemic. Now...we are pleased to report that it is back!!!!

**THE 4th GRADE STUDENT COUNCIL
1000 BOTTLE PROJECT**

We are collecting CLEAN redeemable (5 cent)
plastic bottles!
(NO GLASS PLEASE)

Our goal is to collect at least 1000!

A drop off bin is located on the 2nd floor at the top of the
stairs near the art room...
...but larger quantities can be brought to room 24

All proceeds will go to charity!
(specific organization TBA)

Please help us!
So we can help the environment and those in need!

The collection will continue through June 16th!!

Thanks in advance from the 4th Grade Student Council!
