

Suffolk County

Water Authority

Free Education Center Tours 2023

We offer a unique array of interactive activities along with educational exhibits explaining our water system and its history here on Long Island.

Tours are available at:
2 pm, 3 pm and 4 pm

March 9

April 12

May 11

June 8

July 13

August 10

September 14

October 12

November 9

Learn about the Long Island aquifer, the history of our water system, and how water gets to you through interactive exhibits and fun demonstrations- even a Water Wizard is crowned at the end!

Reserve your spot!
