

In recognition of

# DRINKING WATER WEEK

The Suffolk County Water Authority  
proudly presents the

## Student's Art Challenge

to highlight the importance of water conservation and protection.

We are asking students ages 6-18 to submit artistic and creative posters depicting ways to conserve water and how to help protect our most treasured resource here on Long Island!

Students may select their artistic medium, such as:

\*Crayons/ Markers \*Paint \*Pencil/ Colored Pencil \*Ink \*Photography

All submissions should be on 8.5" x 11" paper and ONLY submitted with the express understanding the winning posters will be used in social media and print publications, as well as displayed within the Suffolk County Water Authority. The child's name, age and hometown should be listed on the back of the artwork.

## DEADLINE: May 1st, 2023

Please send your submissions to:

Adina Beedenbender, Assistant to the CEO

SCWA 4060 Sunrise Highway, Oakdale, New York 11769

For more information, please call (631)563-0218
