POLICY

A. Board Review-Public use of Facilities  (Second Time Discussion)  (File:1500)

B. Board Review-Non-Instructional Personnel  (Third Time Adoption)  (File:9530.1)
PUBLIC USE OF SCHOOL FACILITIES

School facilities may be used by district residents and members of the general public for activities which are educational, cultural, social, recreational or civic in nature, primarily for the benefit of district residents and consistent with all applicable federal and state laws. Any such use, however, shall not be deemed an endorsement of the activity or the purpose for which the facilities are used.

The buildings and rooms therein, and the grounds of the district may be made available only when not required to serve the program needs of the West Babylon Union Free School District. Once these needs are filled, priority will be given to West Babylon community groups. Non-West Babylon groups shall be treated equally in the approval of uses and in fees charged or waived.

The Superintendent shall prescribe regulations for the use of any school facility. The Superintendent may also appoint a designee who will be responsible for scheduling the use of school facilities, ensuring that economical and efficient use is made of the time and space available, and for issuing permits. Approval for facility use may be granted for the following:

1. For the purpose of instruction in any branch of education, learning, or the arts.

2. For holding social, civic, and recreational meetings and entertainments, and other uses pertaining to the welfare of the community. Such meetings, entertainments, and uses shall be non-exclusive and open to the general public.

3. For meetings, entertainments, and occasions where admission fees are charged, when the proceeds thereof are to be expended for an educational or charitable purpose; but such use shall not be permitted if such meetings, entertainments, and occasions are under the exclusive control, and the said proceeds are to be applied for the benefit of a society, association, or organization of a religious sect or denomination, or of a fraternal, secret or exclusive society or organization other than organizations of veterans of the military, naval, or marine service of the United States and organizations of volunteer firefighters or volunteer ambulance workers.

4. For polling places holding primaries and elections and for the registration of voters and for holding political meetings. No political meeting, however, shall be permitted unless authorized by a vote of the Board of Education, held as provided by law.

5. For emergencies within the school district, such as floods, power outages, and other conditions which require temporary accommodations for residents in sections of the community.

6. Public library purposes, subject to provisions of the Education Law, or as stations of public libraries.

7. Civic forums and community centers.

8. Recreation, physical training and athletics, including competitive athletic contests of children attending a private, nonprofit school.
9. Child-care programs when school is not in session, or when school is in session for the children of students attending schools of the district and, if there is additional space available, for children of employees of the district.

10. Graduation exercises held by not-for-profit elementary and secondary schools, provided that no religious service is performed.

The Board of Education reserves the right, at any time and within its complete discretion, to require any applicant to provide insurance in such amounts as the Board of Education may determine to be adequate to insure the school district. Moreover, permission for the use of the facility may be subject to revocation or cancellation when, in the judgment of the Board of Education or the Superintendent of Schools, the interests or requirements of the school district may deem it advisable. Also, the West Babylon Union Free School District is absolved from responsibility for personal property.

The Superintendent of Schools or a designee is authorized to require adult sponsorship for individuals or groups of persons under 21 years of age who wish to use school buildings, grounds, or other facilities. She/he shall limit the use of school buildings, grounds, and other facilities if such use is potentially hazardous or creates a nuisance to surrounding property owners in accordance with such administrative regulations as she/he may deem appropriate. Before granting specific permission for use of a school building, grounds, or other facilities, the Superintendent of Schools or a designee shall require in the application for such use, written acknowledgment by the applicant or a designee, of administrative regulations which govern such use.

Responsibility for Damages:
A written guarantee shall be given by a responsible person that the school district shall be reimbursed for any damages incurred while the school facilities were in use.

Any person or persons using school buildings, grounds, or other facilities without specific permission, and outside the procedures and conditions herein outlined, may be considered a trespasser.

*When applicable, a damage security deposit is required to be submitted for each event; as defined in this policy.*

Fees for the Use of Facilities:
Rates charged for authorized use of school buildings, grounds, or other facilities by non-school groups shall be established in accordance with regulations of the Board of Education.

*[When applicable, a damage security deposit is required to be submitted for each event. The amount of this deposit is to be determined by the Plant Facilities Administrator.]*

The following is the current practice in the West Babylon Union Free School District which is covered under the collective bargaining agreement and are included in this policy for the purposes of clarity.

**Service Credit for In-district Work:**

The opportunity to apply for prior service credit will be limited to 30 days after completing the six (6) month probationary period. *Employee will be notified by Human Resources that they have 30 days to apply for the credit.* Prior service credit will be granted based on the following criteria:

- Credit for part-time related service does not include per diem substitute work. It does include regular substitute work for a semester or more. Regular substitute part-time related service in the school district will be converted to full time years for salary credit (number of part-time hours worked by the number of hours in a full-time year = full years of service).
- Credit for regular substitute part-time unrelated service. Regular substitute part-time unrelated service in the school district will be converted to full-time years. One-half of these years will be used for salary credit (number of part-time hours worked by the number of hours in a full-time year by one-half).

**Longevity Credit (Clerical, Custodial, Mechanic, Transportation Assistant)**

A. Full-time and part-time salary schedules - The number of years credit for out-of-district service plus the number of years worked in the district equals step placement for longevity credit.

B. Part-time to Full-time (excludes per diem work) - The number of years of part-time service converted to full-time years (using the rationale outlined in I and II) equals step placement for longevity credit.

**Service Credit - Prior service in regular permanent employment** - Credit for outside experience will be granted under the following conditions to clerical workers, custodial workers, mechanics, transportation assistant and cooks.

A. Direct Experience - One (1) full year of credit shall be allowed for each of the first two (2) years of direct experience, and one-half (1/2) year of credit for each of the next four (4) years of direct experience. The maximum credit allowed shall be four (4) years.

B. Related Experience - One-half (1/2) year of credit shall be allowed for each of the first two (2) years of related experience, and one-fourth (1/4) year of credit for each of the next four (4) years of related experience. The maximum credit allowed shall be two (2) years.

C. Time Limitation - Credit shall not be allowed for either direct or related experience obtained more than six (6) years prior to appointment.

D. Placement on Salary Schedule - In accordance with the above regulations, no new employee may be started on the salary schedule beyond the fifth step for direct experience, or beyond the third step for related experience, without special action by the Board of Education.

**Eligibility for Salary Increments:**

A. Twelve-month employees - New employees starting in the school district after January 1 will not be eligible for the next step until one (1) year from the following July.

B. Ten-month employees - New employees starting in the school district after February 1 will not be eligible for the next step until one (1) year from the following September.

**Probationary Period for New Personnel:**

All new non-instructional personnel shall serve a probationary period of six (6) months.
