ANNUAL DISTRICT ELECTION AND BUDGET VOTE

The district shall hold an annual meeting and election at which the district’s authorized voters will elect members of the Board of Education and vote on the district budget for the coming school year. The annual district meeting and election will be held on the third Tuesday in May, unless due to a conflict with religious observance, the Board requests that the Commissioner approve changing the election date to the second Tuesday in May. The request is due to the Commissioner by March 1st. The school district shall be divided into two election districts with voting machines to be used in each district. The vote on the budget or any other proposition shall take place in accordance with law.

The [District Clerk] School Attorney shall publish a notice of the time and place of the annual meeting and election at least four times within the seven weeks prior to the meeting, in two newspapers having general circulation within the district. The first publication of the notice shall be at least 45 days prior to the meeting. The notice shall also contain notice of any other matter required by law.

Copies of the budget to be voted upon at the annual meeting election will be available in each district school building for district residents upon request at the time of the annual meeting and election and 14 days (other than Saturday, Sunday and holidays) as well as on the school district’s website www.wbschools.org prior to the meeting.

The Board shall appoint assistant clerks and election inspectors necessary for the annual meeting and election at a Board meeting held before the annual meeting and election.

Propositions

The Board has the authority, under the Education Law, to adopt reasonable rules and regulations concerning the submission of petitions to the Board to place propositions on the ballot which may amend the budget. Pursuant to those provisions, the Board establishes the following guidelines:

1. Unless otherwise provided by the Education Law, petitions for the submission of a proposition must contain a minimum 25 signatures of qualified voters of the district or 2 percent of the eligible voters who voted in the previous annual election of the members of the Board of Education, whichever is greater.

2. Petitions must be filed with the District Clerk at least 30 days prior to the annual meeting, except for petitions relating to a proposition which must be included in the notice of the annual meeting (e.g., changing the number of board members). Such petitions must be submitted 60 days in advance of the annual meeting to facilitate the preparation and printing of the ballots.

3. Propositions must include the specific appropriations necessary for the purposes listed.

4. Wording of a petition must comply with legal requirements. If the wording does not comply, it may be changed or altered by the Board, or the Board may reject a petition for failure to comply.

Propositions received in accordance with these specifications will be placed on the ballot as amendments and will be voted upon by the voters in the same manner as the proposed budget, except that the Board shall not be required to place any proposition on the ballot which is within the exclusive province of the Board, or otherwise forbidden by law. No proposition involving the budget may be submitted to the voters more than twice. The Board may also, on its own motion, submit propositions.

In accordance with section 2019(b) of the Education Law, the electors of the district adopted a proposition providing that in all elections, vacancies upon the Board shall not be considered separate, specific offices and that the nominating petitions shall not describe any specific vacancy upon the Board for which the candidate is nominated.

Candidates for the office of member of the Board of Education shall be nominated by petition. Such petition shall be directed to the District Clerk, and shall contain the signatures and addresses of at least 25 qualified voters of the district or two (2) percent of the number of voters who voted in the previous annual election of the members of the board, whichever is greater. Such petition must state the name and residence of the candidate. Each petition shall be filed with the District Clerk not later than thirty (30) days preceding the annual or special district meeting at which the school board election will occur, between 9:00 a.m. and 5:00 p.m. If the deadline for filing nominating petitions falls on “a Saturday, Sunday or public holiday, the filing may be performed on the next succeeding business day”.

The order of names on the ballot will be determined the day after the petitions are due and the order will be determined by a drawing to be held at 9:00 am in the Administration Building. The Board may reject nominations if the candidate is ineligible or has declared an unwillingness to serve. Candidates for the Board of Education run at large, not for a particular seat.

Electioneering

Electioneering during the hours of any vote is prohibited within the polling place or within 100 feet of any such polling place. [Displays or handout items of any political nature, except those provided by law, shall be prohibited by any individual, group or organization in any school building on those days when the polls are open for voting on school district matters, including, but not limited to, the annual school budget, candidates for the Board of Education, special propositions, etc.] Electioneering includes the display or distribution of any banner, poster, placard, button, or flyer, on behalf of or in opposition to any candidate or issue to be voted upon.

Campaign Expenditure Statements

If a school board candidate’s campaign expenditures exceed five hundred dollars ($500), the candidate must file a sworn statement with both the District Clerk and the Commissioner of Education itemizing their expenditures and contributions received.

A candidate who spends five hundred dollars ($500) or less is only required to file a sworn statement with the District Clerk indicating this to be the case. No other campaign expenditure statement is required. An initial statement must be filed at least 30 days before the election, a second statement must be filed on or before the fifth day preceding the election and a final statement must be filed within 20 days after the election.

STAFF SUBSTANCE ABUSE

The Board of Education, recognizing that students are often influenced by teachers and other members of a school's staff, impresses upon staff members the importance of maintaining a high level of professionalism appropriate to their position, which, in turn, shall set a positive example for students.

Since substance abuse has become a national problem, particularly among children and teenagers, the Board believes that school employees must exemplify the positive benefits of a drug-free lifestyle. The Board therefore will not permit the illegal use, including possession, sale and/or manufacture, of alcohol or controlled substances by staff members either in the workplace, or at any time when the effects of such substance(s) may impair the performance of their duties.

The district shall maintain an employee awareness program, including information regarding substance abuse rehabilitation programs provided by local agencies.

If an employee is found to have violated the terms of this policy, he or she may be required to participate in a substance abuse rehabilitation program and/or be subject to a range of penalties up to and including dismissal.

Employee Assistance Program

In general, the Board will not intervene unless the employee's personal problems adversely affect his or her job performance. However, drivers subject to the Omnibus Transportation Employee Testing Act of 1991 must be referred to a substance abuse counselor for evaluation and treatment if the employee has tested positive for controlled substances, received an alcohol concentration of 0.04 or greater, or refused to take a test.

Alcohol and Controlled Substance Testing of Employees

No employee except drivers pursuant to policy 8414.5 shall be subjected to urinalysis or other form of alcohol or controlled substance testing without reasonable individualized suspicion that the employee has consumed alcohol or a controlled substance. The school attorney shall be consulted before any implementation of such testing. Failure to submit to required alcohol or controlled substance testing based upon reasonable individualized suspicion that the employee has violated district policy on alcohol and controlled substance use is grounds for disciplinary action up to and including dismissal.

In its effort to maintain a drug-free environment, the district shall cooperate to the fullest extent possible with local, state and/or federal law enforcement agencies.
