Statement of the Superintendent and/or Board of Education:
Dr. Farrelly acknowledged November 7th through November 11th is School Psychologist Recognition Week. She thanked our school psychologists and commended them on the great job they do supporting our students and their families. Dr. Farrelly is the Town of Babylon School District's Cluster Leader. She stated she is actively involved working with the Suffolk County Schools Superintendents Association. The focus continues to be on “local control” — APPR — unlinking state assessments from teacher/principal evaluations, the 2% tax cap being a true 2% which we know in fact to be significantly lower, and revamping the state aid formula associated with foundation aid. The concept “One Island, One Voice” is also a focus for both Suffolk and Nassau Superintendents. Last Friday, the group met to review the Suffolk/Nassau Superintendents' goals and to come up with a common ground. Dr. Farrelly said the more we work as a collective group, the louder the voice which we hope will resonate with our local legislators and senators. Tomorrow, Tuesday, November 8th, is the district’s conference day. The theme is “Increasing communication, providing input and shared decision making.” It will be a full day of professional development for our staff including a session on gang awareness. The district is taking a proactive approach regarding gang awareness — “See Something, Say Something”. Dr. Farrelly thanked those who will be facilitating sessions tomorrow as well as Mr. Hanley and Mr. Payne for coordinating the day’s events. Dr. Farrelly shared a one minute video of Homecoming highlights. She gave kudos to our Fall student athletes and coaches. All our students worked hard, focused on team work and improving their craft. This weekend Dr. Farrelly, along with Mr. Payne, Mr. Morrell and Ms. Burrows, attended the West Babylon Alumni Foundation Hall of Fame Dinner. The dinner was a great success and the following individuals were honored: Board of Directors Awards - Mel Noble, Joan Haugen and Manny Campisi; Hall of Fame Inductees - Suffolk County Legislator Thomas Cilmi, Class of 1982, Ben Reyes, Class of 1964, Mary Myers Bruckenstein, Class of 1963 and LeRoy Douglas, Class of 1960. Dr. Farrelly said we have a lot to be proud of and asked if everyone would please take a moment to review the October Issue of the District’s “Points of Pride” which was available on the back counter.

Statement of West Babylon Teachers Association: None

Statement of West Babylon Administrators Association: None

Statement of CSEA Representative: None

Statement of Student Association Representative:

Miss Mary Iris Iactaen and Miss Nikki Wieman reported this year’s Homecoming was extremely successful as the turnout was bigger than in the last three years. This contributed positively to the Food Drive. In January, a winter formal is scheduled to take place. In addition, the Student Association is working on a pizza fundraiser. Dr. Farrelly commented Homecoming was a success due to the students and “eagle pride” despite the inclement weather.
Statement of PTA Council Representative: None
Statement of Residents (Agenda Items): None
Superintendent’s Report/Educational Presentation:
Audit Committee Report: Mr. Peter Rodriguez, CPA, Cullen & Danowski, LLP
Mr. Rodriguez provided an overview of the tentative drafts of the Auditor’s letter, Financial Statements and Supplementary Information with Independent Auditor’s Reports — June 30, 2016. In addition, discussion was held regarding the Fund Balance Analysis-General Fund and the Statement of Net Position. Copies of the material are available, for review, in the office of the District Clerk.

2016-2017 Technology Update: Mrs. Stephanie Nocerino, Coordinator of K-12 Student Data & Instructional Technology
Mrs. Nocerino provided an overview of technology enhancements including the following: flat panels, document cameras, Wyse terminals, chrome books and new multifunction printers that were placed throughout the district. Funded by Smart Schools, each classroom was outfitted with various pieces of technology equipment. Each building was given an additional chrome book cart for instructional use which makes the district “computer based testing compliant” at the elementary level. Konica photocopiers were leased which created a savings of over $54,000. We have been able to replace and upgrade our virtual servers to allow for better video display for the virtual desktops and increased our storage capacity to meet the needs of the district. We are beginning to use our technologists to perform additional professional development for the teachers. The District has submitted the required SED paperwork and is awaiting approval relating to Phase II — Double Secured Vestibules. BBS Architects, our integrators and the district are working to finalize the Phase III Plan — Enhanced Security Features. Dr. Farrelly thanked Mrs. Nocerino and her staff whose responsibilities have significantly increased over the years as all aspects of technology fall under her wing. Board President Mrs. Campasano thanked Mrs. Nocerino and her staff as well.
