I would like to welcome all to the meeting. It is nice to see new faces. The Board of Education encourages participation of residents. We are here to listen and we welcome statements. We are not poised to make decisions this evening. We are considering all your statements. The Board will have time to reflect and make a decision at a future Board meeting.

This is a Board of Education meeting. As the Board President, I am the chairperson of this meeting and any statements should be addressed to me. Our current policy is a total of 15 minutes/3 minutes per resident statement time frame. Because so many residents are here tonight, we are willing to extend the total time frame to 30 minutes; still adhering to the 3 minutes per resident.

Also, as a courtesy, we will request if your statement has been previously made by someone else that you allow another resident to speak and make a different statement.

I will now call for a motion to extend the time frame to allow our residents to give statements for **a total of 30 minutes/3 minutes per resident.**
