WEST BABYLON UNION FREE SCHOOL DISTRICT

REGULAR MEETING - BOARD OF EDUCATION - TUESDAY - MAY 22, 2012

POLICY

A. Board Review - School Volunteers (Second Time Discussion) (File:4532)

SCHOOL VOLUNTEERS

The Board of Education recognizes that the use of volunteers strengthens school/community relations through positive participation, builds an understanding of school programs among interested citizens, and can assist district employees in providing more individualized and enriched opportunities in instruction. The Board encourages volunteers from all backgrounds and age groups who are willing to share their time, training, experience or personal characteristics to benefit the students of the district.

Volunteers may be involved in many facets of school operations, from mentor/tutor relationships to clerical tasks. Volunteers shall not be used to provide transportation for school-sponsored activities.

The following provisions apply to athletic programs:

There will be no volunteer head coaches. Volunteer assistant coaches must meet the same criteria as head coaches.

No volunteer shall be permitted to have unsupervised direct contact with students.

School personnel who are responsible for tasks or projects that involve the use of volunteers shall identify appropriate tasks and time schedules for such volunteer activities, as well as make provisions for adequate supervision and evaluation.

All volunteers are required to act in accordance with district policies, regulations and school rules. Any staff member who supervises volunteers may ask any volunteer who violates district policies, regulations or school rules to leave school grounds. *A volunteer may be dismissed at the discretion of the [school district] Superintendent and/or the Board of Education.*

Each Building Principal shall be responsible for maintaining a current and complete list of all active volunteers and their assignments.
