RECRUITING AND HIRING

This is our former policies GCA, GCD and GCD-R with minor changes indicated by brackets and italics

[Professional Staff Hiring File: GCD]

Through its employment policies, the Board shall attempt to attract, secure, and hold the highest qualified personnel for all professional positions. The selection program shall be geared to select candidates who will devote themselves to the education and welfare of the children attending the public schools.

It is the responsibility of the superintendent and of persons to whom she/he delegates this responsibility to determine the personnel needs of the school district and to locate suitable and qualified candidates to recommend for employment to the Board. Through effective administrative procedures, the superintendent shall attract and recommend to the Board the employment and retention of personnel who are motivated to do their best to support the district’s goals, curriculum and procedures.

It shall be the duty of the superintendent to see that persons nominated for employment in the schools shall meet all certification requirements and the requirements of the Board for the type of position for which the nomination is made.

The following guidelines shall be used in the selection of personnel:

1. There shall be no discrimination in the hiring process due to age, sex, creed, race, color, national origin, or place of residence.
2. The quality of instruction is enhanced by a staff with a wide variation in background, educational preparation, and previous experience.
3. Interviewing and selection procedures shall assure that the administrator to be directly responsible for the work of a staff member has an opportunity to aid in the selection; however, the final selection shall be made or approved by the superintendent.
4. No candidate shall be hired without a personal interview, and wherever possible, the candidate shall be observed in his/her own school prior to selection. References shall be checked.
5. All candidates shall be considered on the basis of their merits, qualifications, and the needs of the district. In each instance, the superintendent and other playing a role in the selection shall seek to hire the best qualified person for the job.

While the Board may accept or reject a nomination, an appointment shall be valid only if made with the recommendation of the superintendent. In instances of vacancies in top administrative posts, i.e., the Superintendent’s management team, the Superintendent will offer the Board the opportunity to interview his/her nominee(s) before the Board acts on the nomination.

[Professional Staff Positions File: GCA]

All professional positions in the school system will be established initially by the Board of Education.

In each case, the Board will approve the broad purpose and function of the position in harmony with state laws and regulations; approve a statement of job requirements as recommended by the Superintendent of Schools and delegate to the Superintendent the task of writing, or causing to be written, a job description for the position.

The Board wishes the Superintendent to maintain a comprehensive, coordinated set of job descriptions which set forth clear-cut responsibilities for all positions so as to promote harmony and efficiency in school operations.

Although positions may remain temporarily unfilled, only the Board may abolish a position it has created.

OLD/NEW BUSINESS:

COMMITTEES
Mr. Cacciola discussed the priority ranking of the following topics: Special Ed. Inclusion Model, Nine period days, JHS Teaming Music, Art, Math/Reading, Kindergarten, Technology, Extra Curricular Clubs, SAIL and Supervisory Model — he asked that each of the trustees send him their top 5 order of priority — transportation and declining enrollment were removed from the choices as they are at the top of the time sensitive issues.

Trustee Jennings read the minutes of the August 11, 2011 facilities committee meeting (on file in the District Clerk’s office). She thanked Mr. Graziano, BBS Architects, Belfor and the community for their efforts in the rebuilding of South Bay School.

Trustee Thiel read the minutes of the August 9, 2011 curriculum committee meeting (on file in the District Clerk’s office)

STRATEGIC PLAN UPDATE
Mr. Cacciola thanked Trustee Thiel for her work on the Strategic Plan bulletin board in the Board Room. He said the information is also on the website.

Trustee Thiel read the minutes of the July 28, 2011 Strategic Plan Committee Meeting (on file in the District Clerk’s office).

STATEMENT OF RESIDENTS:
Resident Kamilla Turner said that she would be on board with suggestions offered by Ms. Gubing, this evening. In response to her question, Mr. Farrell said that some questions/statements of residents do not receive an immediate response and others are just statements that do not receive responses so they are not in the minutes. In addition, the minutes are of actions taken by the Board, not of everything said at a meeting.

In response to resident William Hill’s budget transfer questions, Mr. Cacciola explained that transfers are necessary in the budget process.
