Superintendent's Report/Educational Presentation:
Board President Diane Thiel welcomed any new attendees this evening and said that she appreciates that they are here for the presentations this evening. She asked that any questions they may have be addressed to the building principals before they bring them to the Board.

Junior High School Principals - Academic Presentation — Scott Payne, Principal; Jennifer Carere, Assistant Principal, Department Chairpeople and JHS Teachers offered a PowerPoint presentation regarding students’ scores on NYS assessments (on file in the District Clerk’s office). They shared ideas for future improvement and strategies for student success. In response to Trustee Campasano’s question discussed the idea of workshops to assist parents in helping their children with school work and understanding the Common Core. Mr. Cacciola noted that the PTAs have been asked for input to determine how to assist parents. He said that he is hearing more and more that the parents want the district to use technology to get information to them.

Mr. Cacciola said that he forgot to announce earlier that at the Superintendents’ meeting he learned that the NYSPTA will be holding a series of Town Hall Meetings at the Garden City HS on October 15, 2013 from 7-9 p.m. In response to Board President Diane Thiel’s question, Mr. Theo said that he believes the nine period day is beneficial to the students. Mr. Payne noted that two thirds of the students receive remedial assistance during the extra period. Suggestions regarding improvements that the state could make to assist students included additional time for completion. Trustee Villagran thanked the panel for the visual charts. In response to Trustee Bocca’s question Mr. Theo said that combining two departments for one chairperson has its challenges. He said that the supervisory model, while challenging, is working because the teams are working together.

Nawrocki, Smith, LLP – External Audit Preliminary Report — Michael Nawrocki
Mr. Nawrocki shared the preliminary report with the trustees (on file in the District Clerk’s Office). He thanked the Board, Administrators and complimented business office staff for their timely closing of the books and records. Mr. Nawrocki noted that this meeting fulfills the law’s requirement. A recommendation that
Mrs. Buscemi have a purchasing agent instead of serving in that position herself was made by Mr. Nawrocki. Questions of the Board were answered. It was noted that the school lunch department is running in a deficit which is not unusual in school districts. Mr. Cacciola thanked Mr. Nawrocki and Mrs. Buscemi. He added that the district faces difficult times moving forward.

STATEMENTS OF RESIDENTS:
Resident Christine Taylor expressed concern with the large class sizes in grade four at JFK. Diane Thiel recommended that Ms. Taylor speak with the building principal to address her concern. Dr. Farrelly explained the decision making process with regard to class size and added that the cap to class size is based on the teachers’ contract. Resident Daina Edmunds added that she shares Ms. Taylor’s concerns as did Resident Lorie Rivera Piazza.
Resident William Hill stated that he appreciates the evening’s presentations. He added that the in depth presentation offered by Mrs. Buscemi was difficult to decipher for the average resident. He said that it all comes down to “wants” and “needs” for the district.
Resident Marty Lasko, said his children attend Santapogue School. He spoke about the condition of the playgrounds and the fields. He also expressed his displeasure with the caloric restriction for children. He was asked to make an appointment with Mrs. Tona to have his concerns addressed.
Resident Mrs. Keilitz said that she is dismayed at the amount of money invested in testing which she believes means nothing. She asked why West Babylon doesn’t oppose the testing. Mrs. Turner concurred adding that another district’s teachers have rejected the Common Core. Mr. Cacciola said the district would still have to follow the direction of the Commissioner of Education, the rejection would be by resolution only.
Resident Nancy Smolenski thanked the Board for all of the data during the last two meetings. She said she is also happy to see that the students are writing more.
Resident Ms. Jarrett said that her daughter is in the JHS and is so happy to go to school everyday. She has joined clubs and loves school. She said she just wanted to share this with the Board.
